

You Have Done All of That?

ARTICLE #4 // SEPTEMBER 26, 2024

Over the past few years, the district has made significant progress on several key areas within the 10-year facilities plan, and below highlights a few of those accomplishments.

Middle School Renovations | Completed August 2024

- Renovated portions of the 1969 and 1985 wings, replacing outdated science cabinets, removing asbestos, and installing new flooring
- Funded through our budget

Middle School Cafeteria and Kitchen Remodel | Completed March 2023

- Constructed a new cafeteria and kitchen
- Repurposed existing spaces to create a Student Services office and Special Education classrooms, further repurposed those spaces into other classrooms and dedicated Choir Room
- \$4.3 million project paid for through used of COVID Relief and district funds

Creske Community Center Parking Lot | Completed May 2020

- Created a new parking lot in front of the Creske Community Center
- Improved parking capacity and access
- \$300,000 project cost and paid through district funds

High School Science Wing & Bathroom Renovation | Completed October 2018

- Construction of a new Science Wing at High School for better support modern science education
- Renovated bathrooms in High School 1960s wing
- Total cost of project was \$3.1 million

The 2024 facilities referendum will address much-needed renovations and additions at the High School and Middle School building, including:

- Adding Career and Technical Education spaces at the High School
- Creating a safe and secure High School entrance
- Improving technology infrastructure in the High School and Middle School
- Replacing the 1960s-era High School kitchen, cafeteria, and locker rooms
- Renovating the existing High School kitchen, cafeteria, and locker rooms into classroom space and a community fitness center
